JustGiving announces fundraising partnership with The Stampede

*JustGiving partners with The Stampede, Australia's leading obstacle course for their
2015 event series*

15th July 2015: JustGiving has today announced a fundraising partnership with The Stampede for its 2015 event series. The Stampede, Australia's leading obstacle course, now in its fourth year, is back again this year, in Brisbane, Sydney and Melbourne.

The fundraising partnership will allow registered participants to develop a personalised fundraising page on the JustGiving website to benefit The Stampede's chosen charity Kokoda Youth Foundation.

Kokoda Youth Foundation supports young Australians, delivering key programs, courses and opportunities to youth from all social backgrounds and targeting many different needs. Each year, Kokoda Youth Foundation helps many 12 to 17 year olds in these programs, and has a lasting impact on their families, schools and communities.

Adam Goodger, Event Manager, The Stampede said *"We're delighted to be partnering with JustGiving to make the process of fundraising even easier for our participants. After all, the challenge should be faced on the obstacles!"*

JustGiving's partnership with The Stampede will allow participants to harness the power of social media and digital networking, raising funds whilst sharing updates and progress with their fundraising community on the interactive platform.

Commenting on the announcement today, **Country Director for JustGiving in Australia, New Zealand & Hong Kong, Nikki Kinloch** said: *"We're excited to be teaming up with The Stampede, an iconic event series - allowing participants to overcome their physical and mental challenges while also driving fundraising support for Kokoda Youth Foundation."*

“JustGiving provides participants with a platform that allows them to personalise their fundraising efforts, using digital technology to share their achievements with family and friends.”

JustGiving is the world's social platform for giving. Since launching in 2001, JustGiving has allowed more than 22 million people to raise \$4 billion for over 13,000 charities.
